Ovid 20 - Romulus 18,	Ovid 30 - T-Burg 18.

Ovid's undefeated powerhouse rolled over all Lakes Region opposition this year. Lead by Co-Captains Jack Guinan and Gene Carroll, they romped to impressive victories over three of their four opponents. Much credit is due to the two coaches, Mr. Kay and Mr. Natoli, for bringing the team through to an undefeated season. Many of the starting six will be gone next year, but there will be several experienced players to form the center of another fine team, and perhaps another champion.

Band is one of the most popular extracurricular activities in the school, and practices Monday, Tuesday, and Thursday in the cafeteria.

The band, comprised of about fifty members from Junior and Senior High, plays for assemblies and other school programs.

Four members of the band, Arthur Archambault, David Van Vleet, Connie Favreau, and Barbara Keady participated in the All-State Sectional Band at Geneva this year. A bus was taken for the other band members who wished to attend the performance.

Under the patient direction of Mr. Jacoby, the band has been steadily growing and improving.

Miss Wright accompanies the chorus which practices during the noon hour. It is always a great pleasure to listen to this group.

The Ovid Chapter of the FHA has thirty-one members. They are a very active club, and have many excellent activities to their credit.

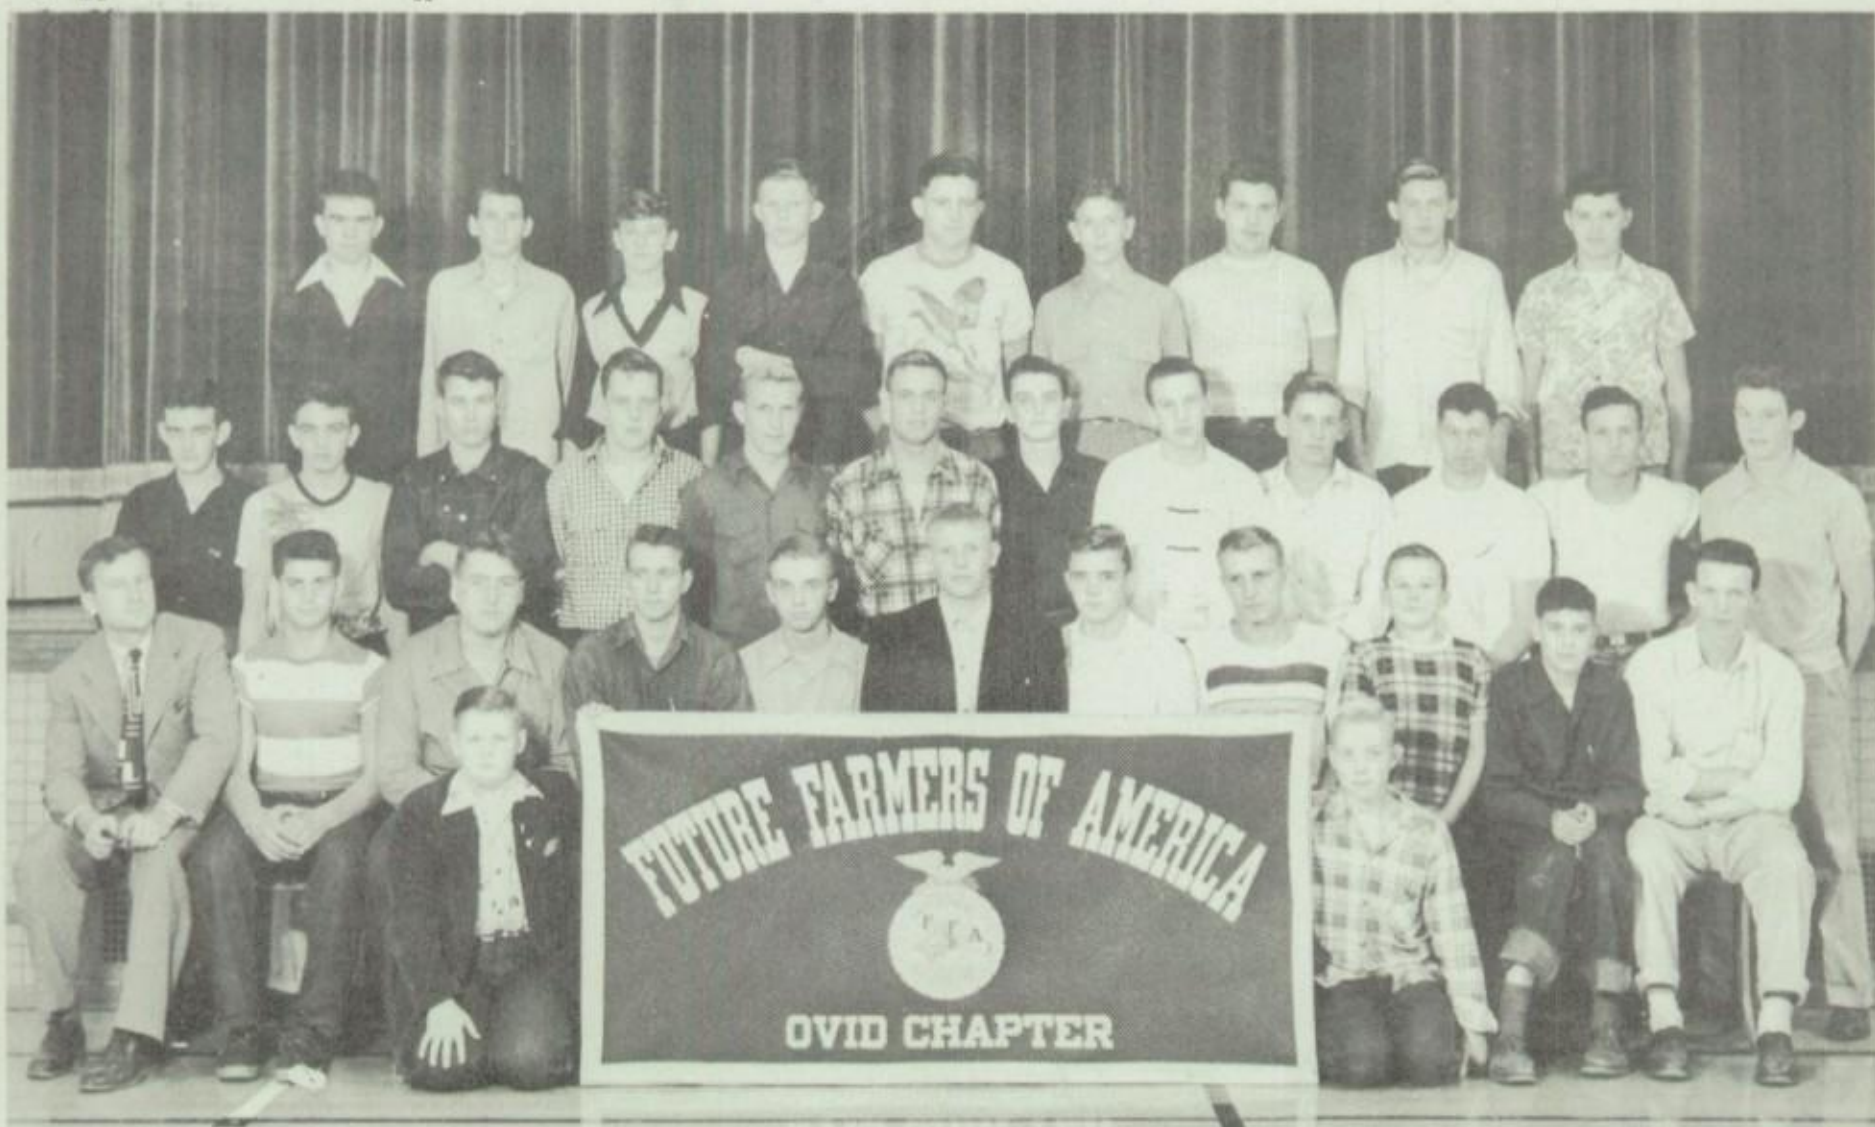

The curtains which they hung in the cafeteria have made it much more pleasant. They also made towels for use in the cafeteria. The veterans at Canandaigua Hospital received candy boxes made by the FHA. Christmas cards and stationery were sold as money raising projects.

Mrs. Brown and Louise Ott, our state First Vice-President, attended a state officers' meeting in Albany.

Every summer three deserving FHA members are sent to camp by the club.

They have planned the following social activities: a roller-skating party, a picnic, a trip to Morrisville and a state meeting.

The following are officers: President, Mary Carroll; Vice-President, Helen Martin; Secretary, Donna Hanson; Treasurer, Frances Stahl; Reporter, Merrielee Jacot; Historian, Barbara Simmons.

Under their leadership the class hopes to have \$300 in their treasury when they become Juniors. This goal will be accomplished by means of class dues, two bake sales, and a dance.

As Freshmen, this class was more active than usual. They put on a very successful dance, sold pop at the baseball games and, in general, proved themselves up and coming personalities in O. C. S.

As Sophomores the class of '53 put out a newspaper. On their agenda as Juniors, they have the candy sales, a movie, a Gay-Nineties program, a ham supper, an informal dance, several bake sales and the Ball.

One of the big events of the year as far as the Juniors were concerned, was the choosing and ordering of their class rings.

At the beginning of the year they elected the following people to office: Justin Martin, President; Barbara Keady, Vice-President; Carol Dann, Secretary; and Gail Vreeland, Treasurer. Norma Guthiel and Jimmy Lynch represent the Junior Class in the Student Council.

SENIOR HISTORY

At the start of our freshman year, 1948-1949, we had 56 students in our room; Mrs. Depew was appointed as our advisor. Our main concern was to get off on the right foot-----scholastically-----but we also participated in some extra curricular activities such as band, football, basketball and track. In our Freshman year we did very little to raise money for our Senior Trip.

As our Sophomore year rolled around, our number had decreased to 33. Mr. and Mrs. Meyer were our advisors starting in that year, but Mrs. Depew changed with them at about the half way mark and continued as our advisor. That year we had bake sales and sold pencils to help raise money for our trip to Washington.

Here it was our Junior year! We seemed to be getting closer to being Seniors all the time. We started off the year as a good-size group of 29. Mrs. Depew was our advisor and gave us valuable help in our money-raising activities. This year we had a Junior Play, which no class had had for a number of years. We sold stationery, had a ham supper, sold caps, pennants, and candy, and had a few other money-raising activities. We made part of our money for our Senior Trip; this meant we would have less to make in our Senior year.

Our Senior year! Class of 1952! (We finally made it.) We started off with 25 classmen and increased to 32 in January. We were happy indeed to find Mrs. Depew as our class advisor, through the years. Our financial activities this year included magazine sales, the Senior Play, candy sales, the Silver Tea, and some smaller activities. The Senior Trip, for which we had been saving our money, was held April 4 to 9. This trip was something we will remember the rest of our lives.

We greatly appreciate what our community has done for us, to make our Senior year one of the greatest years of our lives. We wish to thank Mr. Miller, our principal, Mrs. Depew, our wonderful advisor, the faculty and the people of our community for the help and contributions they have given us.

Bill Duncan - Historian

CLASS

PROPHECY

At "Karl Limners Rendezvous", THE Nitery of Washington, we, the class of '52, are having our Class Reunion. Karl, as you probably know, having tired of Jets has opened his own night club. He is his own best customer, and gets up early each day so that he will have longer to loaf.

He has employed four of his old classmates, Fred Whitney, Donald Lewin, Wes Henninger, and Chester Goslicki.

On the podium, we noticed as we entered, Fred at the mike, still playing the sweetest trumpet this side of Willard, as Donald, the featured crooner rehearsed his latest recording "The Blabber Blues". On the red plush carpet just outside we were surprised to see Chester, the doorman, sharp as ever in a uniform so resplendent with gold and medals that even passing Marine Sergeant Bob Guthrie has saluted him, mistaking him for at least Admiral Bob Kinne, who was last heard of cruising in the vicinity of Bali in search of beautiful scenery-----purely in the interest of Art, of course.

From the rear of the club the noisy clashing of pots and pans proclaimed the creation of a new dish "Petite Carne de la Henninger", (Hamburg to you) at \$2.50 a service.

At a nearby table, Leonard Jackson and Clyde Auble were discussing the patent rights on their latest invention that converts a decrepit bicycle to a Mercury Convertible in twenty minutes. Mrs. Royce Green (the former Joan Haring) has just arrived after a tearful leave taking from a baseball team---hers and Royce's. Royce has to baby-sit on the swing shift basis while Joan is away.

We thought a beginner was tuning a tuba, but it was only Ralph Granger, clearing his throat. Since his transfer as Sergeant in the Air Force to Sampson, Ovid and Lodi have both dispensed with Fire Sirens.

The phone just rang; it was Big Tom Martin, who will be detained for an hour or so---he promised to give Mikan some foul shooting lessons. Kay Fritts and her new Ford just flew in. She got an excellent trade in on "Stock Car #11" at the Brewer-Marsh Garage, operated by Allen Marsh and Norman Brewer, the local motor-tycoons of Ovid.

Autograph hunters are besieging Phil Pomeroy, who has given up a stage career to realize his life's ambition, to manage the Royals.

Near the bar we overhear Mrs. Bill Webster, the former Donna Hanson explaining to Christine O'Connell, that vivacious Kindergarten teacher, the Intricacies of managing both the Webster Television Service and Bill too. Christine agrees, she manages children also.

A stir at the door draws the crowd's attention to the arrival of Mr. and Mrs. Dave Chamberlain, the new Science Teacher since his discharge from the Air Force. The little Chamberlains - all five of them - have been left at home under the watchful eye of Uncle Bill.

And speaking of Bills--Here comes Bill Duncan who is now the Ag teacher at Ovid, and who teams up with Stan MacCheyne, Lodi's leading Dairy farmer, who, after being President of our Junior and Senior class found that by feeding his Jerseys equal parts of soda and cocoa could produce a sensational Chocolate Soda.

Peggy Prest and Beatrice Nivison have just arrived in a Sampson Air Force Jeep - Bea is secretary to a certain Major since her graduation from Business School, but Peggy refuses to tell who gave her the Jeep. How about it, Peggy?

Bob Clarke, U. C. L. A.'s top Art teacher is wistfully eyeing the microphone on the stage and we hope a song or soft shoe isn't due. We'd rather you's be WRONG than President, Bob.

Class Will - Con't From Page 51

The Class of 1952 names Miss Edds, who has been so helpful to us, to act as administrator of this, our last will and testament!

Written by:

Fred Whitney
Donald Lewin
Wesley Henninger

PROHPECY (con't from 53)

Ethel Nivison is now RN at Willard State Hospital; complains that the ride is SO tiresome to Washington - on the buddy seat of a motorcycle.

Stopping to chat with Hugh MacDonald, who is now married and Chief Cook at Willard is the former Louise Ott, who now operates a Nursery between Ovid and Romulus. She and the milkman had to get rid of all that milk somehow.

And look who's here! Jack Guinan, chosen Mr. Atlas of the year, head Coach at W. B. N. U. (Way Below Normal). Now his muscles have muscles!

Who can that distinguished gentleman with Doris Anderson be? None other than Congressman Bob Pettengill. Doris is his PRIVATE Secretary since her graduation from Katharine Gibbs.

Dorothy Lynch, secretary at O. C. S. is comparing notes with Joan Hefferon, Medical Secretary at Willard. Dorothy received most of her training in Miss Klopf's classes and Joan is expecting a transfer to Elliot Hall where she can keep a watchful eye on a certain ward.

Pat Personius is rounding up all of our classmates to join in "Hail, Hail, the Gang's All Here". After 4 years as Captain in the Air Force Nurse Corps, Pat has her RN and BS degree. She is anxious to return to her Florida Sanatorium and we, Ovid Graduates, back to the business of living.
